OUR CRAZY CAMPUS

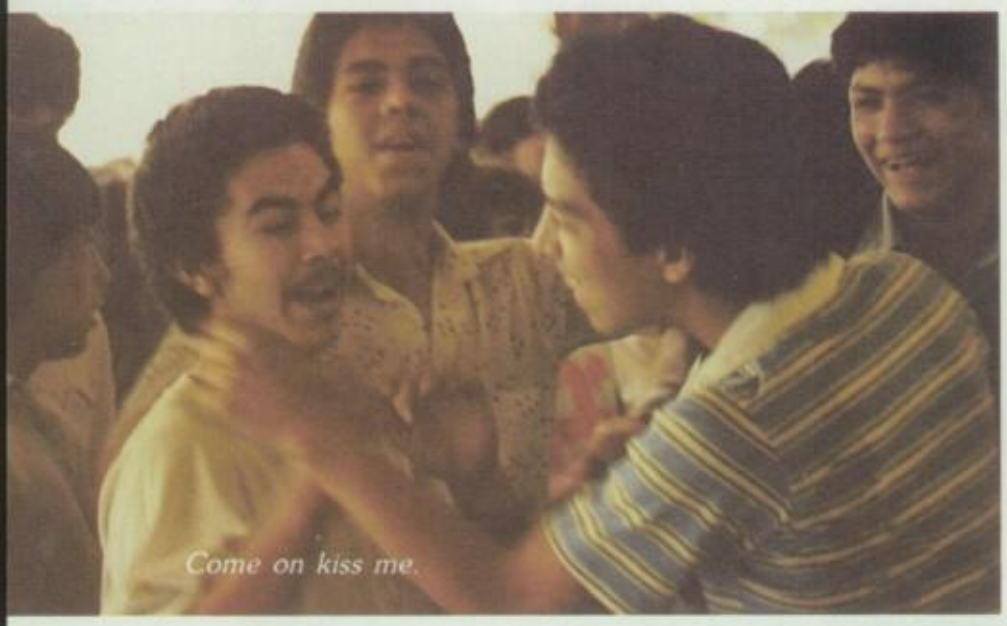
Control yourself were being watched.

No Terri, my leg is better than yours.

I'm on a diet.

Kiss me, I got the signal.

Well I do like Mayonnaise pizza.



Come on kiss me.

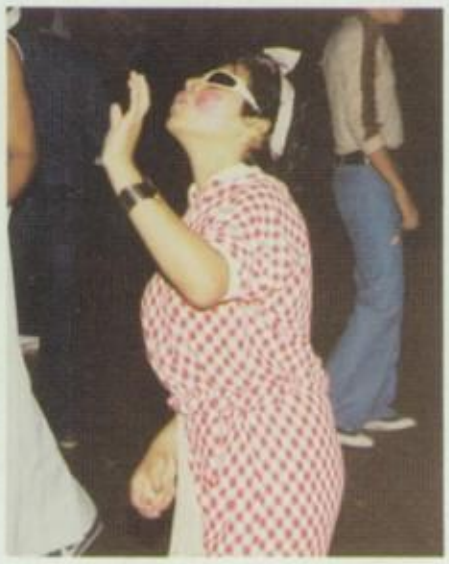
Hey I'm only curious, O.K.

Look down there it's us.

Look Cristol, I'm dancing I'm dancing.

I just love my shoes.

Charlie's Angels.



The sky is falling.

Our group is unique - We've obtained experiences and are in situations that most students would never encounter. We work in a hospital setting with physicians, nurses and other porfessional people. The nurses obtained a well rounded and rewarding experience in such areas as Emergency Room, Surgery, Intensive Care, Labor Room, Maternity, The Clinic and a Medical-Surgical Floor.

This was a dramatic experience for most of us. This was our first year, except for Mercy. This was the hardest working year for cheerleaders because along with being a cheerleader we performed as Tall Flags, Songleaders, and at one time Shields. Some of our most memorable moments were of course the times we spent together in numerous activities such as U.S.A. camp and many parades. We were involved in the 16th of Sept. parade, the E.L.A Christmas Parade the Dodger Victory parade, and the Hollywood Lane (in which we all held the shields). We cheered at **ALL** *the sporting events and of course the pep rallies. I would like to extend my congratulations to the Varsity football team for winning the 2A City Championship" and the BEE's for their "Eastern League Championship. As captain of the 81-82 cheerleading squad I have grown fond of each girl & will miss them a great deal. I'd like to thank each member individually and primarily for their own special ways; Lupe for her gracefulness; Darla's charm; Terry's dancing ability; Dora's perfection; Lisa's energetic ways; Mercy's 2nd year experience; Brigitte's sense of humor; Stephanie's sensitivity and of course Sonia's unsurpassed spirit. Many thanks to Mr. and Mrs. Litvak and Mr. Ronquillo (TIO) for the patience of guiding me and helping me through this memorable year (also my first). But I would especially like to thank my mother for her understand-*

As a senior I will be leaving Garfield high and of course Drill Team. I would like to thank certain special people for making my last two years here at Garfield and as a Drill Team member the best ever!!! First I would like to thank the girls for coming through at the time of need, and Mrs. Litvak for her understanding and putting up with all of our troubles (and some how making them work). I thank especially my mom for making all of this possible "I LOVE YOU", I wish the best for all future Drill Team members.

Jose Tafoya

The Garfield High Marching Band under the direction of Mr. Harold Manyweather was one of the high points of the 1981-82 football season.

The band which was led by Jose Tafoya, had a wonderful halftime show. Our show began with Garfields famous entrance which formed four lines. We began by playing "There's No Business Like Show Business". During that time we illustrated many patterns. Our next formation was the multidimentional diamonds, which were formed while playing "Fame". Our next formation was one of the highlights of our halftime show. This was 'Chatanooga Choo-Choo". We constructed a moving locomotive, in which the band moved with precision. The following design was a circle, which later formed a flower. It was accompanied by the song "El Dorado". The last formation was three diamonds in which we played "Quejada".

Our announcer for this season was Lupe Contreras.

The Marching Band does not only perform halftime shows, but also attends parades. Many of the parades that were attended were, Mexican Independence day parade in East Los Angeles, El Grito parade in Pico Rivera, East Los Angeles Christmas parade, Hollywood Lane parade, The Dodger Victory parade, South Gate parade, Fontana parade, and the most exciting parade was the Las Vegas parade.

SPIRIT WEEK

Spirit Week was a grand event this year at Garfield High. It was held on November 14th through the 19th. This event is held to build up spirit in our student body for the then upcoming Garfield vs. Roosevelt classic football game.

During Spirit Week we saw many thrilling and exciting things happening. We saw regularly normal people stuff submarine sandwiches and chocolate dipped marshmallows into their mouths. We saw others run with eggs, play with pantyhose, fly frisbees, crawl through tires, and squeeze into circles.

It took an immense amount of planning to make it the best Spirit Week ever (and it most certainly was that). We owe our congratulations to Mr. Litvak, student government and the class sponsors for putting a lot of time and effort into this occasion. We hope to continue special events in which Garfield students compete to amuse and enjoy themselves.

Bottom (l. to r.): Sandra Gutierrez, Ma do Los Angeles Hernandez, Adriana Villasenor, Marta Jasso, Lourdes Lomeli, C/2nd Lt. Alma Garibay, Alicia Grosso, Maria Cuevas, Leticia Alvarez, C/1st Lt. This year has probably been the worst year for ROTC financially because 5 field trips are normally scheduled annually for program enrichment. However, to this date the ROTC has two field trips scheduled, one to Fort Ord, California for 5 days commencing April 4th through the 9th. This will consist of 35 cadets. The other trip will be to Las Vegas, Nevada commencing May 28 through May 30, with 21 cadets.

As for the competition, Garfield ROTC has done very well this year as in the past. The following breakdown shows the events and standing by each category:

1) *Individual female first place C/1st Lt. Olga Quezada, C/SFC Lourdes Mata tied for first place with L.A. High School.*

2) *Squad competition female and male. C/MSG Maria Paramo took first place for the female. C/SFC Ferrel Solano took first place for the male.*

3) *Platoon competition female and male. C/1st Lt. Olga Quezada took first place for the female platoon and C/2nd Lt. Alberto Robles took second place for the male platoon.*

4) *The biggest and probably the most significant is the Company competition scheduled for April 21st at the Los Angeles Sports Arena. Our cadets are really preparing for that event.*

Recently we had our Annual Formal Inspection involving our staff presenting a briefing to the inspectors from 4th Region followed by a rank inspection of our cadets for their ability to respond to questions asked by the Inspectors and to determine their overall appearance. We feel that we had done well and should get the results of the Inspection by April.

Channel 7 News interviews Garfield's ROTC cadets

The 1982 Carnival involved many students, Faculty, families, and community groups in a three-day celebration of togetherness and fun. With 21 game and food booths, 12 exciting rides, and a Saturday night dance, more people attended this carnival than either of the two previous carnivals in 1977 and 1978. Besides the excitement and good feeling generated from different people working together, the various clubs, athletic teams, and school support groups were able to raise funds to finance the many activities they are involved in throughout the school year.

GARFIELD'S CARNIVAL

ALMOST ANYTHING GOES

No handlebars, Lisa?

The 1982 Almost Anything Goes was labeled "The Ultimate Interaction" because it kicked off the school district's Student-to-Student Interaction Program for the senior high schools of Areas 6 and 8 With 12 schools participating through 6 paired teams from the two areas, the team of Garfield and Polytechnic won by the slim margin of only 1 point. Because this year's competition was special, some very unique events were created to challenge the participants and to excite the audience. These events included "Ali Baba's Flying Carpets", and "Sara Lee, Where Are You"?" Beside the competitions, Almost Anything Goes involved a morning breakfast for administrators and guests, a processional of school bands and drill teams, a demonstration of drum majors and drill groups, and a luncheon for the competing teams. After the dust cleared, the mud settled, the syrup dried, and pool drained, the students all agreed that they should definitely "do it again" next year.

CIF-2A DIVISION

LOS ANGELES

Garfield's Mighty Bulldogs conquered the 2A Division Championship this year by defeating the then undefeated Jordan Bulldogs. The last time Garfield Bulldogs made the 2A playoffs was in 1947. But this year as it was said "We we're destined to win." The team was tough and the strategy brilliant, surprising Jordan by breaking their 25 game winning streak.

Throughout the season the outcome of each Garfield game was excellent (of course), but as the playoffs confronted the Bulldogs, real pressure and tension enveloped the team and school. The Bulldogs pushed on and defeated Dorsey making it to the **Top 4** *(Garfield, Jordan, Roosevelt, and Grant).*

Once Roosevelt and Grant were beaten, both Bulldogs were placed in a fight for the title. As the struggle went on both Bulldog teams pushed each other for yardage. Both defensive teams held. The first quarter went by, the second, the third, and into the fourth. Both teams had not scored! Then during the last two minutes of the game Jordan came up to the five yard line with a first down. Garfield intercepted the ball and pushed back up the field. With four seconds left on the clock, Bobby Cabello kicked a field goal for 3 points. This brought the trophy home.

All of this could not have been done without the fabulous coaching of Vic Loya and Steve Robinson. Loya trained and shaped the team into an elite force which gave him the recognition of being an outstanding coach. The Shrine Game was honored to have Mr. Loya participate in coaching one of the teams. This game was composed of the top players in the state and was held in the Rosebowl.

BOYS' GYMNASTICS

Though the team was small in number, the 1982 Garfield Gymnastics Team maintained an excellent reputation. The team had three members performing all-around. They were Victor Puebla, Hector Sepeda, and Jimmy Gomez. The team consisted of the following group of young boys led by Victor Puebla as captain. Jimmy Gomez, Hector Sepeda, specialist on aparatus Art Lopez (rings), Jimmy Gallegos (parallel bars), and Ricky Soberanos (parallel bars). Further recognition goes to coach Sal Mojica whom with faith and confidence led the team to a great season.

GARFIELD TRACK UNDER NEW COACH

Garfield's 1982 Boy's Track Team has one of the strongest squads in years. This year the team is operating under a new head coach, Carlos Jimenez. Coach Jimenez was the assistant track coach at Belmont for five years and won many league championships. After winning his first two meets this year at Garfield he is sure that soon Garfield will be a track power in the Eastern League. Assisting Coach Jimenez this year are Gordon Fritz, last semester's cross country coach who handles the distance events, and Dennis Campagna, who works with the shot putters.

Top athletes on this years squad include top lettermen from last year, Nacho Martinez, Paul Mora, Marcel Williams, Ernie Maldonado, and Jaime Gonzales. Talented newcomers include Mike Godinez, Mark Alvarez, Rick Solario, Rico Angulo, Luis Diaz, Fred Guillen, and Miguel Guerrero.

Coaches Jimenez, Fritz, Campagna, and alumini assistant Gerardo Campos were very impressed with the fine attitude and spirit of this year's team. Campos has even stated that this is one of the best Garfield Track Teams he has ever seen in six or seven years. And with most of the top Varsity performers in the tenth and eleventh grades, all the coaches are very optimistic about our chances for the future.

Did you hear the latest gossip?

Look busy guys

The 1981-82 school year has seen a new principal at the head of Garfield High School. His name is Henry Gradillas. Born in Santa Barbara, he grew up in East Los Angeles and attended Belvedere Junior High and Graduated from Roosevelt High School.

Mr. Gradillas received a Bachelor of Arts degree from the University of California at Davis and from California State University a Master of Arts degree along with a teaching credential. He is presently working on a Doctorate at Brigham Young University.

Mr. Gradillas spent approximately six years in the army and left the service holding the rank of captain.

He began teaching R.O.P. classes in 1969 and in 1972 taught bilingual classes in such subject areas as Biology, Health, and Driver's Training. He was a counselor (1974-75) and an Administrative Dean (1975-77) in charge of boy's discipline here at Garfield. He dealt with gang related problems on campus reducing vandalism by 75% through gang cooperation. Narcotics use and sales dropped by 90% on campus. Gang assaults reduced dramatically, classroom attendance increased and the number of cuts reduced tremendously.

In 1977 Mr. Gradillas passed the assistant principal's exam and was appointed assistant principal at Belvedere Junior High.

Four years later he was appointed principal at Jackson High and in 1982, the principal at Garfield High School. He looks forward to a successful future here, for he is familiar with the faculty and familiar with numerous students (who previously attended Belvedere), and has intricate knowledge of the community.

Look, a penny!

I'd like to thank the academy for this award.

The finest in jewlery

Congratulations to
the 1982 Senior class!

A special thanks to Mr. Henry Ronquillo, Charles Keck, Aaron Chapelle, Secretary of State Alexander M. Haig, Karl Marx, and Billy Carter for their support with the 1982 Yearbook.

And a very special thanks to the officers of the U.S.S. Yearbook, Jeffrey Garcia, Joe L. Gonzalez, Jimmy Gallegos, and Lydia Silva, all of whom contributed hundreds of hours of their own time to the production of this book.
